Summary

Responsible, detailed-oriented, result-driven, and committed engineer with a get-it-done, on-time, and high-quality product spirit. I am a proficient Frontend web developer with 4 years of experience building blazingly fast, interactive, intuitive, and aesthetically pleasing user Interfaces using core frontend technologies HTML, CSS, and Javascript coupled with the most popular frontend library, React. I pride myself as a strong team player, complete tasks on time, always ready to learn and grow.
